7:30 PM

Chris Fuller (N3MLB) gave a brief overview of the club and when it started a few years ago. Chris gave an overview of the goals for the club which included hosting events for Field Day, Special Events and other activities. He explained that in order to obtain a club call sign the club needed to elect four positions which must include President, Vice President, Treasurer and Secretary. Since the By Laws and the Constitution were drafted and shared with members on the Perry County Amateur Radio Club's website and Facebook page a month before the meeting, potential members were encouraged to voice their opinion.

Several potential members shared what they wanted out of the club which included those events mentioned by N3MLB. W3SHD, W3BUZ, KC3PNR and KB3PSN also contributed to their thoughts and asked for more comments from the floor. Hearing no further thoughts, the club moved onto discussions regarding electing club officers.

It was decided by the group to nominate several members and then have the members vote through the polling feature within Zoom. W3SHD, KB3PSN, W3KAT, AL3C and N3MLB were all nominated as potential officers. Hearing no further names, Chris Fuller initiated the poll for President, Vice President, Secretary and then Treasurer. A total of fourteen votes were casted as one person (W3JON) dropped off the Zoom meeting approximately thirty minutes beforehand.

The members elected the following:

President:	Matt Morrison, KB3PSN
Vice President:	Chris Fuller, N3MLB
Secretary:	Robin Cartwright, W3KAT
Treasurer:	Scott Shedd, W3SHD

The remaining time was spent discussing potential club meeting dates and times. It was decided the club officers must hold their official meeting within the next week or two and then schedule a club meeting. It was decided that Thursdays seem to work best for everyone.

The meeting was adjourned arounded 8:45 PM.
