

**PCARC Meeting Minutes**  
**April 12<sup>th</sup>, 2024**

**Opening**

A meeting of the Perry County Amateur Radio Club was held on this date at **Duncannon** EMS building. The meeting was called to order at 7:01pm by Matthew Morrison.

**Approval of Minutes**

The minutes of the previous meeting were read and approved.

**Reports**

The treasurer's report was read.

**Old Business**

Banner was shown by Matthew and approved. The next meeting will be held on the second Thursday of the month.

EMA:

The last meeting for EMA was cancelled.

Perry County Fair:

Sam hasn't gotten any information. A letter was sent and no one responded.

Fox Hunt:

The fox hunt was originally supposed to be in May, but it could be pushed to June if it takes too long to be approved.

**New Business**

It was suggested that we focus a little more on GMRS and FRS because it is easier and might get people interested in ham radio.

Field day:

Last we checked; Mark still plans to host field day like last year.

JD made motion to order checks, Tom seconded.

**Open Discussion**

Ron commented should see about having a spot set up in a building at the Perry County Fair. We would have advantages. The buildings get locked up at night so we wouldn't need people to tear down equipment. It is however more expensive.

It was decided that we should attempt to advertise for the fox hunt. We could get attenuator kits and build them at the next meeting.

**Adjournment**

Motion to adjourn the meeting was made by JD. Motion seconded by Matthew.  
Meeting adjourned at 9:30pm.

I declare that the above statements are true and accurate to the best of my knowledge, information, and belief.

Signed Nicholas M
