The minutes of the previous meeting were read and approved.

**Old Business**

EMA:

Matt contacted Rich and got the club approved to use the equipment in the county office. In order to be able to use the equipment, members will need finger printing.

PeCo Fair:

43 people signed up to receive a Gmail about the next meeting. Matt talked to members of Artistic Image while at the Fair and asked them about a shirt design for the club. Designs were discussed.

Testing Sessions:

Since Robin is the only member of the club that can send paperwork to the FCC, we would like to start training more members so if Robin isn't free, we can still do test sessions.

**New Business**

Website:

Sam and Matt have been having issues with the website recently and they can't do anything since Chris set it up. They would like to transfer ownership of the website.

**Open Discussion**

No topic presented

**Adjournment**

Motion to adjourn the meeting was made by JD. Motion seconded by Matthew.

Meeting adjourned at 8:16pm.
